

It is no surprise that the only station in our area owned by Sinclair Broadcasting is a FOX station. The airwaves are provided to the station at no charge. If the public airwaves must serve the public interest, they must use utmost discretion during an election year. Either balance the information or provide a disclaimer showing that you have no proof that any of the information is credible or true.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
